

## FlashTrak Shipper Instructions

These Instructions will provide the steps necessary to provide the best results. Shipments will need to be created before depressing the button on the logger.

Website URL: <https://flashtrakrtl.com/#/login>

User Name and Password will be provided through email

### Shipment Creation:

Step 1 - Log in to Flashtrakrtl.com using provided credentials

Step 2 - Click the “New Shipment” Button

A teal rectangular button with the text "New Shipment" in white, sans-serif font.

Step 3 - Select Device ID from the drop down list that matches serial number for the logger you would like to setup

Step 4 - Select Shipper from Shipper drop down menu

Step 5 – Select Carrier from Carrier drop down menu

Step 6 - Select the Final Destination from Receiver drop down menu.

Step 7 – Select your Product from the Products list.

Step 8 – Enter the **Receivers** Purchase Order Number into the Purchase Order field

Step 9 – Click the Save Button

The logger is now ready to use. Depress the green “Start” button and follow instructions on shipping card to verify activation.
